## OFFICIAL NOTICE: RECRUITMENT SCAM ALERT

It has come to our attention that certain individuals are falsely claiming to represent Alliances for Africa (AfA) and are sending fraudulent interview invitations to candidates. Reports indicate that some applicants have received invitations for a first-round interview from an organization other than AfA, allegedly in connection with our current recruitment process.

Please be advised that Alliances for Africa (AfA) has not authorized any external organization to conduct interviews on our behalf. Any such communication is unauthorized and a scam.

### Please adhere to the following security protocols:

- AfA recruitment for the earlier-advertised position is now closed.
- Do not click on any link/links or download any unverified attachments.
- Do not respond to interview invitations, requests for personal information, or payment demands from any other domain or organization claiming to represent AfA.
- Disregard any suspicious messages or emails that claim to be AfA.
- Alliances for Africa (AfA) will never request payment or sensitive personal details outside of a secure, official recruitment process.
